Your Expanded Accidental Death coverage will become effective on the Effective Date stated in the Schedule, provided my first payment is paid and received by the Plan Administrator. You cannot be singled out for cancellation, a benefit decrease, or an increase in your premiums due to a change in your health or occupation. Rates can only be increased for an entire class of insured persons, not on an individual basis. Your coverage will remain in force as long as premiums are paid on time and the Master Policy remains in force. Coverage for all insureds (whether member or spouse) will reduce by 50% when the Member reaches age 75 regardless of age at enrollment.
